## How can I help others?

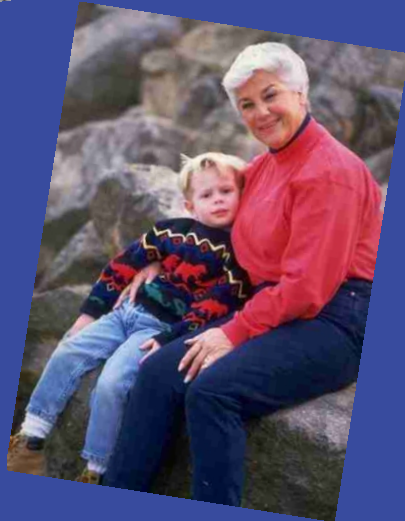

The essential needs of many Australians and the wider global community are becoming more pressing and demanding of response from the full Church.

As members of our Church, we need to fund our own efforts.

Compared to others in the world, many of us in the Australian community are in a better position, in terms of our education, material prosperity and financial resources. This is an opportunity for us to help out in some way in CLC's spiritual and apostolic endeavours.

Help us bring these much-needed resources to help people in need and to complement the efforts of those who are ministering to them.

***If CLC has made a difference to you in your life, you can give that special gift to someone by donating or leaving something in your will to the CLC Special Project Fund.***

## What is the CLC SPECIAL PROJECT FUND?

The Fund is based very much in the spirit of St Ignatius of Loyola, that "love should express itself more in actions than in words."

The CLC Special Project Fund has been set up to:

1. Assist all Christian Life Communities in Australia;
2. Support the spiritual and apostolate activities of the CLC Communities in Australia;
3. Assist individual communities and members of CLC to participate in the apostolic spiritual and service projects of CLC;
4. Assist the volunteer service activities of CLC.

Donations and bequests to the Fund are reserved exclusively for the purposes for which the Fund has been established.
