Father Iain Radvan SJ

Dear Members of CLC

I am delighted to formally announce and welcome our new CLC Ecclesial Assistant, Father Iain Radvan SJ. Iain was recently appointed by Fr Brian McCoy, Jesuit Provincial, to take over the role and good work of Fr Robin Koning. We are very grateful that Iain has accepted this appointment and look forward to working with him and growing together in our understanding of the Ignatian charism as a lay community.

Iain has worked as a humanities teacher, sports coach and chaplain in three Jesuit schools in Australia since he was ordained in 1994. At present he is completing a qualification to work at Campion Retreat Centre as a Spiritual Director and he is in the middle of a thesis for a Masters in Theology. Among his hobbies and interests are gardening, learning languages, cycling and bush walking.

We assure Iain of our prayers and support as he enters this new role and ask God's blessing on our collaboration. We look forward to a fruitful partnership together.

Yours in Christ

Chris Gardner (National President)
